Calculating your tax – if we receive this paper tax return by 31 October 2025 or if you file online, we'll do the calculation for you and tell you how much you have to pay (or what your repayment will be) before 31 January 2026. Do not enter payments on account, or other payments you've made towards the amounts due, on your tax return. We'll deduct these on your Self Assessment Statement. If you want to calculate your tax, ask us for the 'Tax calculation summary' pages and notes. The notes will help you work out any tax due, or repayable, and if payments on account are necessary.
